STREAMLINED FINANCIAL HARDSHIP WAIVER CERTIFICATION

KVMD Licensee Co., L.L.C. ("KVMD"), the licensee of Station KVMD(TV),
Twentynine Palms, California (the "Station"), acting pursuant to Section 2(b)(2) of the
Commercial Advertisement Loudness Mitigation Act ("CALM Act") and Paragraphs 52 and 53
and note 228 of the *Implementation of the Commercial Advertisement Loudness Mitigation*
(CALM) Act, 26 FCC Rcd 17222 (2011) ("CALM Rules"), hereby certifies to the Federal
Communications Commission that it is in need of a renewal of the one-year delay in its required
compliance with the CALM Rules and seeks such relief pursuant to the streamlined rules
adopted by the Commission. In support thereof, KVMD states as follows:

KVMD filed a timely request, on September 21, 2012, seeking a one-year delay in its
compliance with the CALM Rules.

KVMD submits that it meets the standard for being considered a "small broadcast
station" for CALM Act and CALM Rules purposes. For calendar year 2012, the most recent full
calendar year, the Station, an independent television station whose programming consists of
primarily of foreign-language and religious programming, produced annual gross revenue of less

than \$14 million. Owing to the size of its annual gross revenue, the Station qualifies as a small business under relevant standards and meets the test established in the CALM Rules for treatment as a small broadcast station.

KVMD also submits that it needs renewal of the one-year delay in obtaining equipment in order to avoid the financial hardship that would be imposed were it required to obtain the equipment needed to implement the CALM Rules. Attached hereto, as Exhibit A, is the equipment specifications received by KVMD in order to effect compliance with the CALM Act. The acquisition of this equipment constitutes a financial hardship given the annual gross revenues and expenses associated with operation of the Station. A renewal of the one-year delay in KVMD having to acquire this equipment represents a meaningful limitation on the financial hardship that the CALM Act imposes on the Station.

Consequently, KVMD is entitled to a financial hardship waiver permitting it to receive renewal of the one-year delay in its CALM Act and CALM Rules compliance.

The undersigned certifies under penalty of perjury that the foregoing is true and correct.

Executed at Los Angeles, California on the 13th day of September, 2013.

President
